Certificate of Liability Insurance (Annotated Form)

2 This notice confirms the provisions of the California Insurance Code, §384. Other states have similar provisions. It states that the policy, not the certificate governs coverage.

1 This block identifies the Agent or Broker.

3 The insurer will be identified here. The insurer letter appears again near the left margin at "3" to show which insurer provides which coverage.

4 CERTIFICATE NUMBER:

5 THIS IS TO CERTIFY THAT THE POLICIES OR POLICIES LISTED BELOW HAVE BEEN ISSUED TO THE INSURED NAMED ABOVE FOR THE POLICY PERIOD INDICATED. NOTWITHSTANDING ANY REQUIREMENT, TERM OR CONDITION OF ANY CONTRACT OR AGREEMENT WITH RESPECT TO WHICH THIS CERTIFICATE MAY BE ISSUED, THIS CERTIFICATE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED PRODUCER, AND THE CERTIFICATE HOLDER.

6 The policy number should correspond to the policy affording the coverages of this row.

7 These sections show the type of coverage provided through the agent or broker identified in "1" above. If the insured uses more than one broker, this certificate will not identify all existing.

8 These two columns show inception and expiration dates for policies identified. Pay special attention that coverage does not expire before or during your project or lease.

9 This column identifies limits per occurrence and aggregate for each type of coverage afforded. Pay special attention to low aggregate limits for public works-type contractors. Losses on other jobs may reduce your coverage.

10 This section will usually be used to restrict coverage to a specific job or lease. Watch for restrictions that would omit the coverage required by your specifications.

11 Certificate holder is your entity.

12 CANCELLATION provisions

13 The authorized representative of the insurer should be an employee, unless the agent or broker is specifically authorized to sign on behalf of the company.
